VISION STATEMENT
The UNT Libraries will advance top tier research and scholarship through innovation and collaboration, and the preservation of accessible research collections.

MISSION STATEMENT
Providing leadership in innovation and learning, the UNT Libraries are an essential force in teaching and research on campus, the extended UNT community, and beyond. The Libraries provide expertise in all areas of scholarship and work to meet the ever-changing needs of a vibrant, diverse, student-centered research university.

From the UNT Libraries Strategic Plan 2015-2018
