## ELSEVIER SUBSCRIPTION AGREEMENT

This agreement ("Agreement") is entered into as of 14 November 2017 by and between The Board of Regents of the University of Nebraska, a public body corporate, 3855 Holdrege Street, Lincoln, NE 68583, USA, for and on behalf of the University of Nebraska Consortium of Libraries (UNCL), 318 Love Library, Lincoln, NE 68588, USA (the "Subscriber"), and Elsevier B.V., Radarweg 29, 1043 NX Amsterdam, The Netherlands ("Elsevier").

The parties hereto agree as follows:

### SECTION 1. SUBSCRIPTION.

#### 1.1 *Subscribed Products.*

Elsevier hereby grants to the Subscriber the non-exclusive, non-transferable right to access and use the products and services identified in Schedule 1 ("Subscribed Products") and provide the Subscribed Products to its Authorized Users (as defined herein) subject to the terms and conditions of this Agreement.

#### 1.2 *Authorized Users/Sites.*

Authorized Users are the full-time and part-time students, faculty, staff and researchers of the Subscriber and individuals who are independent contractors or are employed by independent contractors of the Subscriber affiliated with the Subscriber's locations listed on Schedule 2 (the "Sites") and individuals using computer terminals within the library facilities at the Sites permitted by the Subscriber to access the Subscribed Products for purposes of personal research, education or other non-corporate use ("Walk-in Users").

#### 1.3 *Authorized Uses.*

Each Authorized User may:

- access, search, browse and view the Subscribed Products;
- print, download and store a reasonable portion of individual items from the Subscribed Products for the exclusive use of such Authorized User;
- incorporate links to the Subscribed Products on the Subscriber's intranet and internet websites and in electronic coursepacks, reserves and course management systems and instructor websites, provided that the appearance of such links and/or statements accompanying such links will be changed as reasonably requested by Elsevier;
- provide print or electronic copies of individual items from the ScienceDirect Subscribed Products to other Authorized Users and to third-party colleagues for their scholarly or research use; and
- access, search, browse, view, print, make electronic copies and store for the exclusive use of such Authorized User or, if the Authorized User is a librarian/information specialist, for the exclusive use of another Authorized User certain journal articles and book chapters from the ScienceDirect® online service that are not subscribed to as part of the Subscribed Products, with each twenty-four (24) hour access period for a selected article or chapter, a "Transaction".

The Subscriber may:

- deliver journal articles from Subscribed Titles (as defined herein) and, if any, book chapters

from the ScienceDirect Subscribed Products to fulfill requests as part of the practice commonly known as "interlibrary loan" from non-commercial libraries located within the United States, provided that the Subscriber's staff reviews the requests and fulfills the requests in compliance with Section 108 of the U.S. Copyright Law (17 U.S.C. § 108) and the Guidelines for the Proviso of Subsection 108(g)(2) (Final Report of the National Commission on New Technological Uses of Copyrighted Works, 1978).

The Subscriber may:

- access the text and data mining service online via an API at <http://dev.elsevier.com> to continuously and automatically extract and index and/or process information from the ScienceDirect Subscribed Products to which the Subscriber separately subscribes and load and integrate the results (the "TDM Output") on the Subscriber's text-mining system for access and use by Authorized Users; and
- distribute the TDM Output externally, which may include a few lines of query-dependent text of individual full text articles or book chapters which will be up to a maximum length of 200 characters surrounding and excluding the text entity matched ("Snippets") or bibliographic metadata. Where Snippets and/or bibliographic metadata are distributed, they should be accompanied by a DOI link that points back to the individual full text article or book chapter. Where images are used the Subscriber should clear the rights for reuse with the relevant copyright owner and/or rights holder. Further the TDM Output should include a notice in the following form:

*"© Some rights reserved. This work permits non-commercial use, distribution, and reproduction in any medium, provided the original author and source are credited."*

The Subscriber will be primarily liable for the compliance of all Authorized Users and the engaged third party vendor with this Agreement.

Text and data mining service online may be accessed by, processed, or hosted by, vendors or other third parties retained by the Subscriber only with the express written permission of Elsevier and solely for the index and/or process information purposes of the Subscriber. The independent contractor and/or vendor will not ingest the Dataset for any other reasons and will keep such extracted Data, the Snippets, the TDM Output separate and segregated from any other data, and will have no right or ability to use the extracted Data, the Snippets and the TDM Output in any other product or service offering.

Independent contractors and/or vendors must comply with the terms and conditions of this Agreement. The Subscriber will not appoint independent contractors and/or vendors which are located outside the European Union, Canada or the United States of America.

The Subscriber will exercise the same degree of care and apply the same level of security control with respect to the use of the text and data mining service online and the activities under this Agreement as with the Subscriber's own product and services.

As additional restriction in this usage grant, the Subscriber and its Authorized Users may not:

- use any robots, spiders or other automated downloading programs, algorithms or devices to search, screen-scrape, extract, or index any Elsevier web site or web application, other than the text and data mining service online via an API; nor
- utilize the TDM Output in a way that would compete with the value of the final peer review journal article or the Subscribed Products, or have the potential to compete with, to substitute

and/or replicate any other existing Elsevier products, services and/or solutions or to enhance the products or services and/or solutions of the engaged vendor.

The Subscriber may:

- (i) extract and index Affiliation Data (as defined below) from the Scopus® online service respecting published journal articles, abstracts, conference proceedings, technical reports, presentations/lectures, and other research and intellectual output as published for the Subscriber by its affiliated authors, to load in, make publicly accessible from at no charge, and store in perpetuity in, the Subscriber's secure database system that Subscriber uses to collect, preserve and disseminate information about the intellectual output of the Subscriber's institute(s) ("Institutional Repository"), provided that the display of any Affiliation Data will at all times include (if available) the associated Digital Object Identifier ("DOI"), and (ii) incorporate links in Affiliation Data to the relevant landing page in Scopus from which such Affiliation Data was extracted. "Affiliation Data" will be limited to the following bibliographic metadata: author name, author profile number, author country of residence, author affiliation, document title, document publication year, source title, volume, issue, pages, source and document type, publisher, ISSN, DOI, subject category (ASJC). CAS registration numbers, author contact information, author profiles, non-English language tags, chemical names and controlled vocabulary are excluded.

#### 1.4 *Restrictions on Use of Subscribed Products.*

Except as expressly stated in this Agreement or otherwise permitted in writing by Elsevier, the Subscriber and its Authorized Users may not:

- abridge, modify, translate or create any derivative work based on the Subscribed Products, except to the extent necessary to make them perceptible on a computer screen to Authorized Users;
- remove, obscure or modify in any way any copyright notices, other notices or disclaimers as they appear in the Subscribed Products;
- use any robots, spiders, crawlers or other automated downloading programs, algorithms or devices to continuously and automatically search, scrape, extract, deep link, index or disrupt the working of the Subscribed Products;
- substantially or systematically reproduce, retain, store locally, redistribute or disseminate online the Subscribed Products; or
- post individual items from the Subscribed Products on social networking sites.

Authorized Users who are individuals who are independent contractors or are employed by independent contractors may use the Subscribed Products only for the purposes of the contracted research work for the Subscriber.

#### 1.5 *Intellectual Property Ownership.*

The Subscriber acknowledges that all right, title and interest in and to the Subscribed Products remain with Elsevier and its suppliers, except as expressly set forth in this Agreement, and that the unauthorized redistribution or dissemination online of the Subscribed Products could materially and irreparably harm Elsevier and its suppliers.

Notwithstanding anything to the contrary contained in this Agreement, more extensive usage terms might be permitted for open access content in the Subscribed Products as identified in the individual journal

article as stated in the applicable user (e.g. CC) license.

## **SECTION 2. ELSEVIER PERFORMANCE OBLIGATIONS.**

### **2.1     *Access to Subscribed Products.***

Elsevier will make the Subscribed Products accessible to the Subscriber and its Authorized Users from the internet address set forth on Schedule 1 or as may be otherwise set forth herein.

### **2.2     *Quality of Service.***

Elsevier will use reasonable efforts to provide the Subscribed Products with a quality of service consistent with industry standards, specifically, to provide continuous service with an average of 98% up-time per year, with the 2% down-time including scheduled maintenance and repairs performed at a time to minimize inconvenience to the Subscriber and its Authorized Users, and to restore service as soon as possible in the event of an interruption or suspension of service.

### **2.3     *Withdrawal of Content.***

Elsevier reserves the right to withdraw from the Subscribed Products content that it no longer retains the right to provide or that it has reasonable grounds to believe is unlawful, harmful, false or infringing.

### **2.4     *Usage Data Reports.***

Elsevier will make usage data reports on the Subscriber's usage activity available as described at [https://www.elsevier.com/sd\\_usage\\_reports](https://www.elsevier.com/sd_usage_reports).

### **2.5     *Digital Rights Management Technology.***

In the event that Elsevier utilizes any type of digital rights management technology to control access to or the usage of the Subscribed Products, Elsevier agrees to provide the Subscriber with any technical specifications for the digital rights management technology utilized.

### **2.6     *Accessibility.***

The services to be provided conform to the completed Voluntary Product Accessibility Template ("VPAT") which details features of the Subscribed Products that support accessibility that has been provided to the Subscriber. If features of the federal Section 508 standards are not supported by the Subscribed Products, the Subscriber may adapt the Subscribed Products in order to allow Authorized Users with disabilities to access the Subscribed Products to the extent necessary to comply with applicable law.

### **2.7     *Journal Transfer.***

Elsevier will make commercially reasonable efforts to comply with the TRANSFER Code of Practice, Version 2.0, published by the UK Serials Group (UKSG).

## **SECTION 3. SUBSCRIBER PERFORMANCE OBLIGATIONS.**

### **3.1     *Authentication.***

Access to the Subscribed Products will be authenticated by the use of Internet Protocol ("IP") address(es) and/or usernames and passwords and/or a delegated authentication mechanism requiring at least two different credentials, as identified on Schedule 2. Distribution of usernames, passwords, credentials or otherwise providing remote access to the Subscribed Products by Authorized Users who are Walk-in Users is not permitted.

### **3.2     *Protection from Unauthorized Access and Use.***

The Subscriber will use reasonable efforts to:

- limit access to and use of the Subscribed Products to Authorized Users and notify all Authorized Users of the usage restrictions set forth in this Agreement and that they must comply with such restrictions;

- issue any passwords or credentials used to access the Subscribed Products only to Authorized Users, not divulge any passwords or credentials to any third party, and notify all Authorized Users not to divulge any passwords or credentials to any third party;
- provide true, complete and accurate IP addresses, as identified on Schedule 2, (if any) for the exclusive use by the Subscriber (including, if requested by Elsevier, written confirmation by the relevant third party internet service provider) and proactively inform Elsevier of any changes to the Subscriber IP addresses, including the addresses no longer being used exclusively by the Subscriber; and
- promptly upon becoming aware of any unauthorized use of the Subscribed Products, inform Elsevier and take appropriate steps to end such activity and to prevent any recurrence.

In the event of any unauthorized use of the Subscribed Products, Elsevier may suspend the access and/or require that the Subscriber suspend the access from where the unauthorized use occurred upon notice to the Subscriber. The Subscriber will not be liable for unauthorized use of the Subscribed Products by any Authorized Users provided that the unauthorized use did not result from the Subscriber's own negligence or willful misconduct and that the Subscriber did not permit such unauthorized use to continue after having actual notice thereof. The Subscriber will be responsible for the adherence to the terms and conditions of this Agreement by a third party provider the Subscriber engages, in particular, if such third party provider supplies and manages IP addresses.

### 3.3 *Compliance with Sanction Laws.*

Elsevier reserves the right to deny access to the Subscribed Products to any person or entity who is prohibited from receiving such access based on any applicable sanctions or embargoes laws.

## **SECTION 4. FEES AND PAYMENT TERMS.**

The Subscriber will pay to Elsevier the fees set forth in Schedule 1 (the "Fees") within thirty (30) days of date of invoice. Late payments, more than sixty (60) days from the date of invoice, will be subject to interest charges of 1% per month on the unpaid balance. In addition to other remedies provided in this Agreement, Elsevier reserves the right to suspend access to the Subscribed Products upon thirty (30) days' prior written notice and without incurring liability if 1) the full amount of any Elsevier invoice hereunder has not been paid within sixty (60) days from the date of invoice or 2) any undisputed invoice is outstanding under previous subscription agreements between parties for the Subscribed Products. The suspension of the Subscriber's access for non-payment or on any other grounds provided herein is without prejudice to the Subscriber's obligation to pay its outstanding and future invoice amounts in full. Elsevier and the Subscriber acknowledge that the Fees payable under this Agreement are not in the nature of royalties and consequently no withholding tax should be applied to the Fees. The Fees will be exclusive of any sales, use, value added, withholding or similar tax and the Subscriber will be liable for any such taxes in addition to the Fees.

Elsevier will send a copy of Elsevier's invoice to the Subscriber's subscription agent identified as the Billing Contact on Schedule 2 (the "Agent"), and the Subscriber will cause the Agent to pay Elsevier in accordance with the payment terms set forth above. If the Agent fails to pay the full amount of Elsevier's undisputed invoice on a timely basis, Elsevier may suspend the Subscriber's access to the Subscribed Products in accordance with the terms set forth above.

If the Subscriber or the Agent disputes, in good faith, any amount on Elsevier's invoice, the Subscriber or the Agent will provide written notice of the dispute to Elsevier along with full supporting documentation within thirty (30) days of date of invoice, and the Subscriber and Elsevier will use all reasonable efforts to resolve and settle such dispute within thirty (30) days thereafter. Once the invoice dispute is resolved and settled, the Subscriber will pay the amount due within sixty (60) days following resolution of the dispute.

## **SECTION 5. TERM.**

### **5.1     *Term.***

The term of this Agreement will commence on 01 January 2018 and continue until 31 December 2022, but the start and end dates of the Subscriber's access to specific Subscribed Products will be as specifically stated in Schedule 1 for the relevant Subscribed Products.

### **5.2     *Renewal.***

This Agreement will be automatically renewed for successive one-year terms (each a "Renewal Term"), and the Fees will be increased by the then current standard Elsevier price increase, unless either party gives notice to the other by 1 August prior to the end of the then current term that it does not intend to renew. The initial term in Section 5.1 and each Renewal Term are collectively the "Term".

### **5.3     *Early Termination Due To Insufficient Budgetary Allotment From Government.***

The Subscriber may terminate this Agreement upon thirty (30) days notice given by the Subscriber to Elsevier if sufficient funds are not provided, allocated or allotted in future government-approved budgets of the Subscriber or reasonably available or expected to become available from other sources at the time the Subscriber's payment obligation attaches to permit the Subscriber, in the exercise of its reasonable administrative discretion, to continue this Agreement. Notwithstanding the foregoing, if access to the Subscribed Products was provided but not yet paid for prior to termination, Elsevier will be entitled to receive a pro rata portion of the Fees attributable to the period of time that access was provided.

## **SECTION 6. ELSEVIER WARRANTIES AND INDEMNITIES.**

### **6.1     *Warranties.***

Elsevier warrants that use of the Subscribed Products in accordance with the terms and conditions herein will not infringe the intellectual property rights of any third party.

### **6.2     *Indemnities.***

Elsevier will indemnify, defend and hold harmless the Subscriber and its Authorized Users from and against any loss, damage, costs, liability and expenses (including reasonable attorneys' fees) arising from or out of any third-party action or claim that use of the Subscribed Products in accordance with the terms and conditions herein infringes the intellectual property rights of such third party. If any such action or claim is made, the Subscriber will promptly notify and reasonably cooperate with Elsevier. This indemnity obligation will survive the termination of this Agreement.

### **6.3     *Disclaimer.***

EXCEPT FOR THE EXPRESS WARRANTIES AND INDEMNITIES STATED HEREIN AND TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE SUBSCRIBED PRODUCTS ARE PROVIDED "AS IS" AND ELSEVIER AND ITS SUPPLIERS EXPRESSLY DISCLAIM ALL WARRANTIES AND REPRESENTATIONS OF ANY KIND WITH REGARD TO THE SUBSCRIBED PRODUCTS AND ANY OTHER DATA, DOCUMENTATION OR MATERIALS PROVIDED IN CONNECTION WITH THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO ANY ERRORS, INACCURACIES, OMISSIONS, OR DEFECTS CONTAINED THEREIN, AND ANY IMPLIED OR EXPRESS WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

### **6.4     *Limitation of Liability.***

Except for the express warranties and indemnities stated herein and to the extent permitted by applicable law, in no event will either party or Elsevier's suppliers be liable for any indirect, incidental, special, consequential or punitive damages including, but not limited to, loss of data, business interruption or loss of profits, arising out of or in connection with this Agreement, or will the liability of Elsevier and its suppliers to the Subscriber exceed a sum equal to the Fees paid by the Subscriber hereunder during the twelve (12) month period immediately preceding the date on which the claim arose, even if Elsevier or

any supplier has been advised of the possibility of such liability or damages.

## **SECTION 7. GENERAL.**

### **7.1 Force Majeure.**

Neither party's delay or failure to perform any provision of this Agreement as a result of circumstances beyond its control (including, but not limited to, war, strikes, fires, floods, power failures, telecommunications or Internet failures or damage to or destruction of any network facilities or servers) will be deemed a breach of this Agreement.

### **7.2 Severability.**

The invalidity or unenforceability of any provision of this Agreement will not affect any other provisions of this Agreement.

### **7.3 Precedence.**

This Agreement and the University of Nebraska Addendum ("Addendum"), which is attached and incorporated by reference, contains the entire understanding and agreement of the parties and replaces and supersedes any and all prior and contemporaneous agreements, communications, proposals and purchase orders, written or oral, between the parties with respect to the subject matter contained herein. In the event of any conflict, inconsistency, ambiguity or difference between the terms and conditions in this Agreement and in the Addendum, those in the Addendum will take precedence.

### **7.4 Modification.**

No modification, amendment or waiver of any provision of this Agreement will be valid unless in writing and signed by the parties, except for changes reflecting substituted titles, IP addresses, authentication mechanisms, invoicing and contact address details which may be confirmed by Elsevier in an email notice sent to the Subscriber.

### **7.5 Assignment.**

The Subscriber will not assign, transfer or license any of its rights or obligations under this Agreement unless it obtains the prior written consent of Elsevier, which consent will not unreasonably be withheld.

### **7.6 Privacy.**

Elsevier will not, without the prior written consent of the Subscriber, transfer any personal information received by Elsevier from the Subscriber under this Agreement to any non-affiliated third party, except (i) to applicable service providers to the extent necessary to perform their functions for Elsevier in support of this Agreement; (ii) where reasonably necessary to address security, safety, fraud or other legal issues; and (iii) if the Subscribed Products are acquired by another company, or use it for any purpose other than as described in this Agreement.

### **7.7 Notices.**

All notices given pursuant to this Agreement will be in writing and delivered to the party to whom such notice is directed at the address specified below or the electronic mail address as such party will have designated by notice hereunder. Additionally, a copy of any and all notices shall be sent to University of Nebraska Procurement Services at: [procurementcontracts.unl.edu](mailto:procurementcontracts.unl.edu).

If to Elsevier: Elsevier B.V. c/o Regional Sales Office, Elsevier Inc., 230 Park Avenue, Suite 800, New York, NY 10169, USA.

If to the Subscriber: UNCL c/o University of Nebraska-Lincoln Libraries, Dean's Office, 1248 R Street, 318 Love Library, Lincoln, NE 68588-4100.

### **7.8 Confidentiality.**

The Subscriber and its employees, officers, directors and agents will maintain as confidential and not disclose to any non-affiliated third party without Elsevier's prior written consent the financial terms and

commercial conditions of this Agreement. Elsevier may only disclose such information (i) to applicable service providers to the extent necessary to perform their functions in support of this Agreement and (ii) where reasonably necessary to address security, safety, fraud or other legal issues, and share the Subscriber's IP address ranges and holdings information (ISSN/ISBN, access start and end date) with internet search engine providers for the sole purpose of displaying to Authorized Users in their internet search results links to full-text articles and books available in the Subscribed Products.

*7.9 Notice of Click-Through Terms or Other Means of Passive Assent.*

In the event that Elsevier requires Authorized Users to agree to terms relating to the use of the Subscribed Products before permitting Authorized Users to gain access to the Subscribed Products (commonly referred to as "click-through" licenses), or otherwise attempts to impose such terms on Authorized Users through mere use or viewing of the Subscribed Products, the terms and conditions contained in this Agreement will take precedence over any conflicting terms and conditions contained in any "click-through" licenses or any other web access agreement for the Subscribed Products.

7.10 *Execution.*

This Agreement and any amendment thereto may be executed in counterparts, and signatures exchanged by facsimile or other electronic means are effective to the same extent as original signatures.

IN WITNESS WHEREOF, the parties have executed this Agreement by their respective, duly authorized representatives as of the date first above written.

#### Adjustment of Fees

After the initial year of the Term, the Fees for the Subscriber's Journal Collection(s) will be subject to an adjustment to account for any titles removed from the Journal Collection(s) during the remainder of the Term of this Agreement. The Fees for the Journal Collection(s) for each subsequent year of the Term will be increased by Elsevier by no more than 3.25% in 2019, 3.50% in 2020, 3.75% in 2021 and 4.0% in 2022 over the Fees for the Journal Collection(s) in the immediately preceding year of the Term, and will also apply to titles added to the Journal Collection(s) during the Term of the Agreement.

#### Journal Collection(s)

The Subscriber's Journal Collection(s) is described in Schedule 1.1.

#### Transaction Fee

The Subscriber may purchase pre-paid Transactions ("PPT") upon mutual agreement of the parties in writing. Unused PPT will be forfeited one (1) year after issue or upon termination of this Agreement, whichever is earlier.

#### Elsevier Book Series/Handbook Series Additional Terms and Conditions

Upon termination of all of the Subscriber's annual subscriptions on ScienceDirect online and/or if the Subscriber does not maintain a minimum annual spend of US\$1,000 on new eBooks purchases from Elsevier, the Subscriber may, at its option, (1) acquire, load and technically format on a server that enables access and use by Authorized Users an electronic copy of the above book series/handbook series for cost and/or (2) continue to access such books online for an annual access fee based on the number of chapters downloaded from such books during the prior twelve (12) months at a rate of US\$0.081 per download, with a minimum annual fee of US\$500 (adjusted annually for inflation and cost increases) for the Subscriber's access to the platform and/or (3) access such eBooks online through the Portico® electronic archiving service provided by Portico (in which case the Subscriber will execute a separate license agreement with Portico whose terms and conditions will also govern the Subscriber's use of such eBooks and take precedence in the event of any conflict or inconsistency with this Agreement) or access such eBooks online through the CLOCKSS electronic archiving service or another archiving solution to safeguard the permanent availability and preservation of such eBooks of Elsevier's choosing, in accordance with the usage provisions of the Agreement, which provisions will survive the termination of the Agreement. Elsevier will make available for inspection by a duly authorized auditor of the Subscriber, at the Subscriber's sole expense, the records concerning the calculation of the annual access fee once per year during regular business hours upon thirty (30) days written notice to Elsevier. The electronic copy

may not contain links and other features and functionality associated with the online version. If a particular book is withdrawn by Elsevier or not renewed by the Subscriber, but the Subscriber remains a ScienceDirect online subscriber, the Subscriber may continue to access online, at no additional charge, such formerly subscribed book for the publication years paid, provided that Elsevier continues to hold the electronic rights thereto.

#### **Elsevier eBooks Collections - Evidence-Based Selection Model**

At the end of each year of the Term of the Subscriber's Elsevier eBooks Collections – Evidence-Based Selection subscription the Subscriber may access and use in perpetuity, in accordance with the usage provisions of the Agreement, a selection of titles from the Elsevier eBooks Collections identified on Annex A to Schedule 1 (“Selected Titles”), the total value (calculated on the basis of a 2x multiplier applied to the current large band list price to cover post-termination access rights for the Sites) of which will not exceed 2.5% above \$50,000 each year of the Term through 2021, and will not exceed 2.5% above \$200,000 at the end of the last year of the Term. The Subscriber will give notice of its selection to Elsevier no later than sixty (60) days prior to the end of the then current year of the Term. In the event the Subscriber does not give notice of its selection to Elsevier within such time frame, Elsevier may (but is not required to) make the selection on the Subscriber's behalf based on the Subscriber's usage of such eBooks Collections during the Term of the subscription. The perpetual access granted hereunder for the Selected Titles will be subject to payment of an annual access fee based on the number of chapters downloaded from the Selected Titles during the prior twelve (12) months at a rate of US\$0.081 per download, with a minimum annual fee of US\$500 (adjusted annually for inflation and cost increases) for the Subscriber's access to the platform. The annual access fee will not be charged if the Subscriber maintains an annual subscription on ScienceDirect online or maintains a minimum annual spend of US\$1,000 on new eBooks purchases from Elsevier. Elsevier will make available for inspection by a duly authorized auditor of the Subscriber, at the Subscriber's sole expense, the records concerning the calculation of such annual access fee once per year during regular business hours upon thirty (30) days written notice to Elsevier. In the event that the Subscriber does not pay any annual access fee for the Selected Titles, maintain any annual subscription on ScienceDirect online or maintain a minimum annual spend of US\$1,000 on new eBooks purchases from Elsevier, the Subscriber may, at its option, acquire, load and technically format on a server that enables access and use by Authorized Users an electronic copy of the Selected Titles for cost in accordance with the usage provisions of the Agreement. The copy may not contain links and other features and functionality associated with the online version.

## ELSEVIER SUBSCRIPTION AGREEMENT

### Schedule 1.1 Journal Subscription

#### Journal Collection(s):

**Complete Collection:** Electronic access to the full text of all articles from the Elsevier journal titles published since 1 January 1995 identified on Annex A to Schedule 1.1.

**Complete Freedom Collection:** Electronic access to the full text of all articles from the Elsevier journal titles published since 1 January 2014 set forth in the Complete Freedom Collection Journal Title List at [http://www.elsevier.com/solutions/sciencedirect/content/journal-title-lists#journal\\_title\\_list](http://www.elsevier.com/solutions/sciencedirect/content/journal-title-lists#journal_title_list), as may be updated annually with the changes effective as of 1 January of the following calendar year of the Term of the Agreement.

**Cell Press Collection:** Electronic access to the full text of all articles from the Cell Press journal titles published since 1 January 1995 identified on Annex A to Schedule 1.1.

**Clinics Collection:** Electronic access to the full text of all articles from the Clinics journal titles published since 1 January 1996 identified on Annex A to Schedule 1.1.

#### Option to Substitute Subscribed Titles

The Subscriber may substitute any of the subscribed journal titles identified on Annex A to Schedule 1.1 ("Subscribed Titles") with one or more journal titles of total comparable value (in current year list price) once annually upon notice to Elsevier by 1 August prior to the start of the next calendar year or at any time upon mutual agreement of the parties in writing. The foregoing does not apply to the Clinics Collection and Cell Press Collection.

In year one of the Term, Subscriber and Elsevier agree to an additional one-time substitution including Transferred Titles and Cell Press Collection for the primary, but not exclusive purpose of eliminating duplicate titles. Subscriber will submit a list of substitute titles to Elsevier by April 30, 2018, and Elsevier will issue an amended Annex A to Schedule 1.1 ("Subscribed Titles") within thirty (30) days of receipt. For the avoidance of doubt, Transferred Titles and Cell Press Collection may not otherwise be included in the substitution for Subscribed Titles.

#### Option to Substitute Withdrawn Subscribed Titles

The Subscriber may substitute any withdrawn Subscribed Titles with one or more journal titles of total comparable value (in current year list price) at any time upon notice to Elsevier.

#### Transferred Titles

Society journal titles for which the Subscriber holds an electronic subscription through a third-party publisher whose publication rights are transferred to Elsevier and made accessible on ScienceDirect during the Term ("Transferred Titles") will be deemed Subscribed Titles effective as of the date of transfer and for the then current publication year and the publication years previously paid unless and until the Subscriber notifies Elsevier that it no longer wishes to continue such electronic subscription on ScienceDirect. The option to substitute Subscribed Titles does not apply to Transferred Titles.

#### Post Termination Access to Subscribed Titles

Upon termination of all of the Subscriber's annual subscriptions on ScienceDirect online and/or if the Subscriber does not maintain a minimum annual spend of US\$1,000 on new eBooks purchases from Elsevier, the Subscriber may, at its option, (1) acquire, load and technically format on a server that enables access and use by Authorized Users an electronic copy of all or part of its Subscribed Titles for the publication years paid for cost and/or (2) continue to access such Subscribed Titles online for an annual access fee based on the number of full-text articles downloaded from such titles during the prior twelve (12) months at a rate of US\$0.081 per download, with a minimum annual fee of US\$500

(adjusted annually for inflation and cost increases) for the Subscriber's access to the platform, in accordance with the usage provisions of this Agreement, which provisions will survive the termination of the Agreement. Elsevier will make available for inspection by a duly authorized auditor of the Subscriber, at the Subscriber's sole expense, the records concerning the calculation of the annual access fee once per year during regular business hours upon thirty (30) days written notice to Elsevier. If an electronic copy is selected, the Subscriber will for a period of five (5) years from delivery of the electronic copy provide, on a monthly basis, to Elsevier complete and accurate usage data reports on the Subscriber's on-site usage activity in a mutually agreed upon format. Elsevier will be entitled to inspect the Subscriber's records of usage once per year during regular business hours upon reasonable notice to the Subscriber. The electronic copy may not contain links and other features and functionality associated with the online version. If a particular Subscribed Title is withdrawn by Elsevier or not renewed by the Subscriber, but the Subscriber remains a ScienceDirect online subscriber, the Subscriber may continue to access online, at no additional charge, such formerly Subscribed Title for the publication years paid provided that Elsevier continues to hold the electronic rights thereto.

**Deep Discounted Price for Print Subscriptions**

Provided that the Fees have been paid, the Subscriber will have the option to place orders for annual subscriptions to a selection of Elsevier print publications at a price reduced from the list price ("Deep Discounted Price" or "DDP"), by 1 August prior to the start of the next calendar year from Elsevier or its affiliate directly and from only one (1) authorized subscription agent, which will be selected by the Subscriber, and Elsevier or its affiliate will fulfill such orders in accordance with its customary practices. The Subscriber will notify Elsevier of its subscription agent's contact information upon placing such orders. The Subscriber may change its subscription agent no more than once annually by giving Elsevier notice by 1 August prior to the start of the next calendar year. The Subscriber will not place orders for such DDP subscriptions on behalf of any other person or entity or with the intent to resell, rent, license, lease or otherwise transfer them to another person or entity.
