 - 7.1.1 Licensee authorises Publisher to use, store or otherwise process any personal information which relates to and/or identifies Licensee and/or Authorised Users, (including, but not limited to, names and addresses), to the extent reasonably necessary for Informa, its partners, successors (including the purchaser of the whole or part of its business), associates, sub-contractors or other third parties (together "Partner

Companies") to make available and/or to provide the Licensed Materials to Licensee and/or to Authorised Users. These Partner Companies may be located in countries outside the European Economic Area that do not have laws to protect information supplied to them.

7.1.2 Where Licensee obtains Licensed Materials through Informa's websites then Publisher may collect information about Licensee's buying behaviour and if it sends Publisher personal correspondence such as e-mails or letters then it may collect this information into a file specific to Licensee (together, the various purposes set out in this clause 7.1 shall be known as the "Purposes"). 8.1 Licensee acknowledges and agrees that all logins, passwords or other Authorised User identification to access the Licensed Materials (whether chosen by it or the Authorised User(s) or provided by Publisher) are personal to the Authorised User(s) and Licensee shall ensure, as a principal obligation, that the Authorised User(s) shall treat such logins, passwords and other Authorised User identification as confidential and not disclose or transfer them to any person. Licensee must notify Publisher immediately of any unauthorised use of them or any other breach of security regarding Publisher's websites that comes to its attention. ~~Without prejudice to any other right or remedy available to Publisher,~~ it has the right to disable any login, password or other Authorised User identification at any time, if in its opinion Licensee or an Authorised User has failed to comply with this clause 8.1.

8.2 Licensee is responsible for ensuring that its computer system meets all relevant technical specifications necessary to receive Licensed Materials. Licensee also understands that, although Publisher tries to guard against viruses, it cannot and does not guarantee or warrant that any Licensed Materials will be free from infections, viruses and/or other code that has contaminating or destructive properties. Licensee is responsible for implementing sufficient procedures and virus checks (including anti-virus and other security checks) to satisfy its particular requirements for the security of data input and output.

8.3 Publisher will seek to make Online Services available but cannot guarantee that the Online Services will operate continuously or without interruptions or that they will be error free and it does not accept any liability for their unavailability. Licensee must not attempt to interfere with the proper working of the Online Services and, in particular, Licensee must not:

8.5 Publisher makes no representations whatsoever about any other third party websites which Licensee may access through the Online Services. When an Authorised User accesses any other third party website Licensee understands that it is independent from Publisher

websites and that Publisher has no control over the content or availability of that website. In addition, a link to any other third party website does not mean that Publisher endorses or accepts any responsibility for the content, or the use of, such a website and it shall not be liable for any loss or damage caused or alleged to be caused by or in connection with use of or reliance on any content, goods or services available on or through any other web or resource. Any concerns regarding any external link should be directed to its website administrator or web master.

9. PUBLISHER'S UNDERTAKINGS

This indemnity shall not apply if the Licensee has amended the Licensed Materials in any way not permitted by this Licence.

9.2 The Publisher shall:

9.2.1 make the Licensed Materials available to the Licensee via the Online Services during the Subscription Period. The Publisher will notify the Licensee, in writing, at least sixty (60) days in advance of any anticipated specification change applicable to the Licensed Materials. If the changes render the Licensed Materials less useful in a material respect to the Licensee, the Licensee may within thirty days of such notice treat such changes as a breach of this Licence under clause 15.1.1 and 15.4;

9.2.2 use reasonable endeavours to make the Licensed Materials available to the Licensee and the Authorised Users at all times and on a twenty-four-hour basis, save for maintenance (which shall be notified to the Licensee in advance wherever possible), and to restore access to the Licensed Materials as soon as possible in the event of an interruption or suspension of the service.

9.3 The publisher reserves the right at any time:

9.3.1 to make changes or correction and to alter, update or upgrade any aspect of the Licensed Materials;

9.3.2 to vary the technical specification of any of the Licensed Materials or of any software included therein; and

9.3.3 to withdraw from the Licensed Materials any item, or part of an item, for which it no longer retains the right to publish, or which it has reasonable grounds to believe infringes copyright or is defamatory, obscene, unlawful or otherwise objectionable. The Publisher shall give written notice to the Licensee of such withdrawal.

9.4 Where Publisher exercises its right to withdraw any substantial part of the Licensed Materials under clause 9.3, if the withdrawal results in the Licensed Materials being no longer materially useful to the Licensee, the Licensee may, within thirty days of such notice, treat such changes as a breach of this Licence under clause 15.2.1.

9.5 Where a subscription to any Core or Non-Core Subscription expires or is otherwise terminated other than as a result of a breach of this Agreement by the Licensee (in either case, a "Cancelled Core or Non-Core Subscription") then the Publisher shall for the purposes of the long term preservation of the materials forming part of any Core or Non-Core Subscription either (at its sole option and at any time):

9.5.1 continue to provide access to the Backfiles either via the Online Services or by way of the online services of a third party provider; or

9.5.2 provide or arrange for a third party to provide the Licensee with a copy of the Backfiles in such digital or electronic format as Publisher or such third party sees fit subject always to the right of the Publisher to withdraw from the Licensee any such access to any such Backfiles in the event that for any reason the Publisher ceases to have the right to grant such access, and subject further to the right of the Publisher or any relevant third party provider to apply additional terms and conditions on such access including requiring the Licensee to bear any charges reasonably incurred by the Publisher or such third party in continuing to provide such access. The Licensee must ensure it and any Authorised User continues to comply at all times with the permitted use and restrictions set out herein. For the avoidance of doubt the Publisher shall have no obligation to provide an electronic copy or maintain the Online Services in relation (i) to any Licensed Content or (ii) to any Licensed Materials where the subscription has been terminated as a result of the Licensee's breach of this Agreement,

For the avoidance of doubt the Publisher shall not be required to digitise any Licensed Materials in order to give effect to this clause 9.5.

The Licensed Materials are supplied 'as is'.

9.7 ~~Except as provided in clause 9.1, under no circumstances shall the Publisher (or the Publisher's Representative) be liable to the Licensee or any other person, including but not limited to Authorised Users, for any special, exemplary, incidental or consequential damages of any character arising out of the inability to use, or the use of, the Licensed Materials. Irrespective of the cause or form of action, the Publisher's aggregate liability for any claims, losses, or damages arising out of any breach of this Licence shall in no circumstances exceed the Fee paid by Licensee to the Publisher under this Licence in respect of the Subscription Period during which such claim, loss or damage occurred. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. Regardless of the cause or form of action, the Licensee may bring no action arising from this Licence more than six (6) months after the cause of action arises.~~

9.8 The Publisher shall for the duration of the Subscription Period provide as part of the Online Services a website, currently located at <http://www.tandfonline.com/action/institutionUsageReport> for Licensee to run usage reports on a periodic basis.

10 LIMITATION OF LIABILITY AND INDEMNITY

10.1 The Publisher will use its reasonable endeavours to ensure that the information contained in any Licensed Materials is accurate. However, Publisher cannot guarantee the accuracy of any information and content contained in the Licensed Materials, which is provided on a strictly 'as is' basis. Publisher has no liability for any loss or damage whatsoever sustained by the Licensee as a result of using or relying on any information and content contained in the Licensed Materials.

10.2 The Publisher accepts no liability for any indirect or consequential loss or damage or for any loss of data, profit, goodwill, anticipated savings, revenue or business (whether direct or indirect in each case), howsoever caused, even if foreseeable, arising under or in relation to this Licence or

arising out of or in connection with Licensee's access, viewing, or use of, or reliance upon any Licensed Materials.

10.3 In circumstances where Licensee suffers loss or damage arising out of or in connection with the use or performance of the Licensed Materials, Publisher accepts no liability for this loss or damage whether due to inaccuracy, error, omission or any other cause and whether on the part of us or our servants, agents or any other person or entity.

10.4 If Publisher is liable to Licensee under this Agreement for any reason, its liability will be limited to the amount paid by Licensee for the Licensed Materials in the year in which such liability arose.

10.5 Nothing in this Agreement shall limit Publisher's liability for death or personal injury resulting from its negligence or from its fraudulent misrepresentation or any liability which cannot be excluded under the applicable law.

10.6 Licensee shall indemnify Publisher and keep it fully indemnified against any claims, losses, damages, costs, expenses (including reasonable legal expenses) or other liability incurred by it in respect of any infringement of its rights (including intellectual property rights) arising from Licensee's use of the Licensed Materials.

Any bank charges incurred by Publisher in connection with Licensee's payment of Publisher's fees or charges (including the Subscription Fee, Renewal Fee and any Extension Fee) will be for Licensee's account. Without prejudice to any other rights and/or remedies available to Publisher, it reserves the right to charge Licensee (and Licensee undertakes to pay such charges within 30 days of the date of invoice):

Licensee will cooperate fully in the conduct of this inspection and will make available records, facilities and personnel as Publisher may reasonably require for that purpose and Licensee shall fully comply with any reasonable directions Publisher makes as a consequence of such investigation.

12. UNDERTAKINGS BY BOTH PARTIES

Publisher hereby grants Licensee permission to do this during the term of this Agreement, provided that:
- 13.1.1 Licensee or any other person may not make the article available for commercial sale or for any systematic external distribution by a third party (for example a listserv or database connected to a public access server); and

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Internet 2 OBO University of Nebraska - Lincoln (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
